LOS ALAMOS LITTLE THEATRE - A Community Theatre

The Los Alamos Little Theatre, through an agreement with the County of Los Alamos, operates the Performing Arts Center for the purpose of furthering the performing arts in our community. This is accomplished not only by having plays, but by offering the center to those groups wishing to have classes, seminars, recitals, or any function relating to the performing arts.

The Performing Arts Center and the Los Alamos Little Theatre function entirely through volunteers sharing this common goal and are actively seeking new people interested in contributing to that goal. People are not only needed to act or direct, but to help in production (publicity, programs, etc.), backstage (carpenters, painters, etc.), house (tickets, ushers, etc.), and general building maintenance.

Are you interested? If so, please come visit with the cast and crew after the show, or contact a board member. If you would like to receive our bi-monthly newsletter, send your name and address to Newsletter Editor, Los Alamos Little Theatre, Box 211, Los Alamos, New Mexico 87544.
